The modern, light-filled NORD EVENT PANORAMA DECK offers stunning 360° views over the Alster and city – indeed, everything that Hamburg has to offer.

Highlighting the event will be presenters touching on specific topics with the goal of inspiring and helping women while on their journey in Rotary, and to help women become more involved in Rotary. In addition we will be presenting the **Sylvia Whitlock Leadership Award!**

After all of the presentations are complete the presenters will serve on a panel and will be open for your questions.

Amazing food, for the evening, will entail some local German favorites. The selections include: four different Mini Fish sandwiches from the “Hamburger Fischmarkt”, potato salad from Northern Germany with meatballs, goulash soup, two varieties of cinnamon flavored pastry and hanseatic biscuits !

**Presented by Rotary District 6270 in partnership with Rotary District 6650**
